PROFESSIONAL EXPERIENCE

ASB Hall Decoration-2024

We had to get the decorations just right, and there was a lot of teamwork involved—people running to grab supplies, others climbing ladders to adjust lights, and some making sure everything was aligned. I loved how we all worked together, and the hall started to look more amazing with every passing minute. By the time we were done, the space had completely transformed, filled with school spirit and a sense of pride. It felt great to be part of something so fun and important, knowing that all the effort would make the homecoming even more memorable for everyone.
